HONOURING THOSE WHO SERVED
HISTORIC CONVOY RE-ENACTMENT AND SAIL PAST

To honour the veterans of WWII, a re-enactment of a convoy leaving Bedford Basin will take place. Vessels taking part in the re-enactment will marshal in the Bedford Basin and proceed to the Maritime Museum of the Atlantic for a sail past of the HMCS SACKVILLE, where veterans and family members will be on board to observe.

The re-enactment is open to all Power/Sail Boats which are a minimum boat length of 16 feet. Each boat will represent a vessel that participated in the Convoys and will carry a Convoy Cup Foundation supplied banner (1.5 feet x 8 feet) bearing the name of a lost vessel and the country's flag. The banner must be attached to the starboard rail or superstructure of each participating vessel so it will be visible to those on the Sackville. The country flag provided can be flown mid-ship or on the stern of the participating vessel.

All participating boats will be given a souvenir Convoy Cup Flag and a Bulkhead Plaque.

There is a minimum \$25.00 donation to the Convoy Cup Foundation to participate in this event which will cover the cost of the flag and bulkhead plaque. Tax receipts are available.

A reception will be held at the DYC Clubhouse following the Sail Past.

Light refreshments will be available for purchase, and prizes will be awarded for:

- * Most elegant ship salute
- * Best crew period costume (1939-1945)
- * Yacht club participation award

Convoy Cup clothing and memorabilia will be available for sale at the DYC Clubhouse.
